Daymap Mobile App

Daymap provides a free mobile app for both Android and iPhone users. iPhone users require a minimum of iOS 9.0 and Android users require a minimum of 4.4 (KitKat).

Please Note: to access the Daymap Mobile App you require a Daymap Connect licence, external URL set up, parent contacts imported with valid email addresses, Daymap version 10.5 and Identity Server.

Once you have downloaded the free app, you will be able to log in to view a range of information, depending on your access.

Staff access includes:

- Push notifications of messages
- Look up students
- Add records
- Mark the roll
- View lesson notes, class posts and assessment tasks
- Calendars and events

Parent access includes:

- Push notifications of messages
- Book Parent-Teacher Interviews
- View all student information: attendance, reports, assessment and results, and student records and notes
- Calendars and events

Student access includes:

- Push Notifications of messages
- Check timetable
- Access class notes, homework and tasks
- View student visible records and notes
- View assessment results and feedback
- Calendars and events

Using the App for the First Time

Download the Daymap Mobile app from your app store

Apple App Store

https://apps.apple.com/au/app/id1494799850

Google Play Store https://play.google.com/store/apps/details?id=net.daymap.mobile

Teachers & Students

Open the browser and navigate to <u>https://daymap.mghs.sa.edu.au/</u>. Login with your Daymap username and password and then click on **Launch Mobile App**.

	Desktop Daymap
	Launch Mobile App

If using a tablet or using the desktop version of Daymap on your phone, click on the Hamburger menu and then select **Open Mobile App**.

Parents

Open the browser and navigate to <u>https://daymap.mghs.sa.edu.au/daymapconnect</u>. Login with your Daymap username and password and then click on the mobile icon at the top of your screen.

You may be requested to allow Daymap to send you notifications, this will be required if you wish to receive push notifications.

iOS users will need to re-enter their credentials for the home screen of the app to load, however Android users will automatically have their credentials validated.

Please Note that if the mobile app links are not visible, then the mobile app may not have been configured for your school.

Daymap Mobile App

Once logged in, your app's home page will look like one of the following:
