## FROM THE PRINCIPAL

### Official Opening Capital Works

On Thursday 9 June our new building works which were made possible by the \$6 Million Capital Works Project were officially opened by The Hon Blair Boyer MP, Minister for Education, Training and Skills.

The redevelopment included the construction of two new buildings as well as refurbishment of science labs and the café space. These wonderfully new revamped spaces are used by students across all year levels providing not just a pleasant environment in which to work, but also contemporary teaching and learning spaces.

Continuing with a tradition at the school, our newest buildings and our upgraded science laboratories have been named in honour of previous staff members. Mary Anne Fenwick, Toni Vorenas and Bill Downs have all made significant contributions to Mount Gambier High School and the lives of hundreds of students.

Mary Anne spent over 25 years at Mount Gambier High School commencing as an English teacher for three years in the early 1970s, before returning to complete her teaching career, working in roles such as Junior School Assistant Principal, Acting Principal and finishing as Deputy Principal prior to retiring in 2019.

Mary Anne was a key supporter and champion of our New Arrivals (IELP) Program, which has been a very successful program for many Congolese and Karenni students over the years. These students were well supported by Mary Anne when integrating into mainstream schooling through curriculum and activity offerings. In the early years of this program, Mary Anne would also attend cultural activities outside of hours, further developing the connection between these families and Mount Gambier High School.

Mary Anne was one for equality, often being the advocate for our students when they didn't have the opportunity to speak up.

Over many years at Mount Gambier High School, Mary Anne was involved in numerous committees, including Governing Council and overseeing our long-standing Glossop Exchange. Involvement in many of these committees was brought on by her roles within the school, however, her will to do her best for Mount Gambier High School was the reason she joined many others.

Toni Vorenas has been both an educational and business leader in the local community. Toni played a pivotal role as Leader of the Senior School during the principalship of Garry Costello. She, along with the other leaders and teachers,

LEARNING

BELONGING

RESPONSIBILITY

## FROM THE PRINCIPAL (continued)

supported the school to achieve “results too startling to ignore” through a culture of care, high expectations and understanding of how our brains work. An outstanding classroom teacher, her mentoring in pedagogy and leadership has had a profound impact on the whole school community. Additionally, in collaboration with John Pocock, Toni developed and taught in the ‘Link’ after school program. This program supported students that had disengaged from schooling with the opportunity to reconnect with their education and achieve incredible personal success.

Furthermore, ‘Link’ was one of the prototypes that was later used to create what we now know as Flexible Learning Options (FLO).

Following a successful career as a leader and educator, Toni went on to create the iconic Metro Bakery and Cafe. In her time at the Metro, Toni has not only created a significant meeting and social space for the Mount Gambier community, she has continued to provide pathways for a range of people from diverse backgrounds and experiences. Toni’s work at Metro now cements her as a leader within the community who has supported an untold number of Mount Gambier community members as a leader, collaborator and mentor.

Bill Downs was a student at Mount Gambier High School in the 1960’s. During his time as student at the school, Bill was captain of his sporting house as well as some of the Mount Gambier High School sporting teams. Upon graduation Bill went to Adelaide to earn his Science and Teaching degrees and returned to teach at Mount Gambier High School in 1972. During his time here he taught Geology, Maths, Science and Biology. He was also the coach of several successful State teams for Cricket and Football, and mentored many new teachers over the years. In 2007 Bill retired from teaching after having been both a student and teacher at Mount Gambier High School for over 40 years. Unfortunately, in 2020 after battling a long-term serious illness, Bill passed away and is missed by many of his past students and colleagues across the local community.

We thank Mary Anne, Toni and Bill for their service to the school community over many years and for the legacy they leave.

### Covid-19

The mask wearing mandate in secondary schools ended on Monday 30 May. Whilst masks are no longer compulsory, teachers and students may continue to wear them should they wish to do so. Should the school be deemed to have an outbreak, mask wearing will return

for a period of two weeks. Parents will be notified if this occurs.

As the cold and flu season is now upon us, it is important that we all continue to follow SA Health expectations if we are unwell. Please continue to be vigilant in monitoring for symptoms in your child. If your child develops symptoms such as a fever, cough, sore throat, shortness of breath, runny nose, loss of smell/taste, muscle/joint pains, diarrhea, nausea/vomiting or extreme tiredness please:

- Do not send your child to school. Keep your child at home until you receive confirmation of a negative test and their symptoms have resolved, whichever is longer.
- Undertake testing as soon as possible.
- Inform us if your child tests positive. If your child tests positive they must remain isolated for 7 days and follow SA Health instructions.

It is still an expectation that you notify the school if your child tests positive. We continue to provide a single notification to families at the end of the day that lists the year levels affected by COVID-19 cases that day. This is a requirement of the Department for Education.

**Annette Ryan**  
Principal

## YEAR 10 IMMUNISATIONS

*Reminder Wednesday 15 June*

On Wednesday 15 June year 10 students will receive their second dose of the Meningococcal B vaccine. These sessions will be held between 9 and 11am in TFT2.

Encourage your child to eat breakfast on the day of vaccination (breakfast club is also available in the Wellbeing Centre from 8am) and to wear loose clothing so that the upper arm below the shoulder is easily seen.

## PUBLIC HOLIDAY/STUDENT FREE DAY

*Reminders*

Public Holiday - Monday 13 June  
Student Free Day - Tuesday 14 June

## SHARING OUR LOVE OF DANCE

Throughout weeks 4 and 5 Tyla Brooks ran her Community Studies Dance project through the Year 9/10 Dance class. This involved inviting classes from Yahl and Glencoe Primary School to participate in dance sessions here at Mount Gambier High School. We were fortunate enough to have a variety of year levels visit for a taste of dance including students from Reception through to Year 6.

Tyla's goals for her Community Project were to share her love and passion for dance with younger people and to help Primary Schools fill a sometimes missed aspect of the curriculum. Through the help of dance teacher, Trish Jenkins and Arts Coordinator, Laura Small, Tyla contacted both Yahl and Glencoe Primary School to invite them to a free dance session. To accommodate a large number of classes, Tyla gave the task of creating choreography for the workshop to the Year 9/10 Dance class. They were challenged to create four counts of eight worth of choreography that was age appropriate to the year levels they were allocated. The 9/10 class did this in small groups, designing warm up and cool down sessions.

The feedback from those involved was positive and it was a joy hosting the young students. Tyla was successful in sharing her passion for dance and even inspired a few young students to peruse dance as an out of school activity. Due to the success of this project, we will look at repeating the opportunity again next year.

Trish Jenkins | Dance Teacher

## YEAR 7 GLOBAL PERSPECTIVES POEM

Mrs Schofield's Year 7 Global Perspectives classes have been learning about poetry this term, creating a beautiful collaborative poem. Their task was for each student to write a line or two each about what is special about 'Our Home' using their senses to practice descriptive language and poetic devices such as rhyme or similes. I am proud of not only their writing skills and creativity, but its heart-warming to hear some of the wonderful things in our students lives. A selection of contributions from the class are below.

Katherine Schofield | Global Perspectives Teacher

### THE BERRI EXCHANGE

This year the 77th annual Glossop High School Exchange has been rebranded the Berri Regional Secondary College Exchange with the renaming of Glossop High School occurring at the start of this year. Whilst the name of our opposing school is different, the exchange will continue in the same format it has as per the last two years. Due to the ongoing implications COVID has had on the homestay experience, the exchange will again be held in Bordertown as a one day event. This will enable the two schools to travel meet half way, competing in Basketball (boys and girls), Soccer (boys and girls), Football (boys) and Netball (girls - division A and B).

This year the Sporting Cup will take on the name of the founding Mount Gambier High School Principal - 'The Cathew Sporting Cup', whilst the debate which will be held virtually via online streaming, will be named after the Glossop Principal - 'The Symonds Debating Shield'.

Although this the first time the new cup and shield will be contested, we are hopeful on maintaining the high standard of competition, sportsmanship and friendship with the Riverland school. Over the next four weeks, we will be conducting trials and trainings for those who nominated earlier in the year for this experience. Information relating to trials and trainings will be provided to students via the Daymap bulletin.

The sporting component of the exchange will take place on Wednesday 6 July with the debate occurring the day prior on Tuesday 5 July.

Kerran Wingard | Special Sports Coordinator

### SCHOOL SPORT RESULTS

#### Year 11/12 Touch

During week 2 our Year 11/12 Boys and Girls Touch Football teams played matches in Penola against Penola and Grant High Schools. These games were part of the South East Zone competition. Our Boys, most playing their first competitive Touch games, demonstrated greater understanding throughout the day, particularly improving their understanding in defence and setting up multiple scoring opportunities. The girls performed strongly against both Grant and Penola, winning their two matches. Their ability to connect with one another in attack allowed them to pressure both schools' defences on a regular basis. The girls enjoyed competing in the School Sport SA Statewide Finals during Week 5.

#### Year 11/12 Boys Football

On Tuesday 17 May the Year 11/12 Boys Football team played the first round of the Statewide competition against Grant High School at Malseed Park. In slippery conditions, the team played a solid brand of football, prevailing 18.8 (116) to 4.6 (30).

Kerran Wingard | Special Sports Coordinator

## INTERSCHOOL CROSS COUNTRY

On Wednesday 1 June Mount Gambier High School hosted Interschool Cross Country at Malseed Park. This event was attended by 125 students from High Schools across the South East Zone.

Overall, the following students finished in the Top 8 in their events:

- Layla Hawke - 3<sup>rd</sup>; Swaye Lindner - 4<sup>th</sup> and Lara Murdoch - 8<sup>th</sup> (13 Year Girls)
- Joe McCrorie - 4<sup>th</sup> (13 Year Boys)
- Sae Nay Mya - 8<sup>th</sup> (14 Year Boys)
- Lilly Gordon - 4<sup>th</sup> and Monique Doyle - 8<sup>th</sup> (15 Year Girls)
- Aaron Dally - 4<sup>th</sup> (15 Year Boys)
- Talon Johnson - 3<sup>rd</sup> and Levi Loring - 6<sup>th</sup> (16 Year Boys)
- Lara Wilson - 1<sup>st</sup>; Indi Dwyer - 2<sup>nd</sup> and Milla Vinko - 3<sup>rd</sup> (Open Girls)

Age Group shields were awarded for each race, with schools awarded points for their first three runners to finish. The Open Girls were successful in winning their event (Lara Wilson, Indi Dwyer and Milla Vinko) whilst the 13 Year Boys (Joe McCrorie, Finn Mitchell and Jasper Sugden) and 13 Year Girls (Layla Hawke, Swaye Lindner and Lara Murdoch) finished second overall.

Bordertown High School continued its dominance of the event from an overall perspective, having won the event every year since 2005. Mount Gambier High School finished a clear second which was a tremendous effort and one the students should be very proud to have achieved.

A number of our students on the day ran outside of their age groups to ensure we had representatives in more age divisions. Well done to Remi Scerri, Jasmine McGinn, Angela Walsgott, Monique Doyle, Lara Wilson, Indi Dwyer and Milla Vinko.

Thank you to Steph Wighton for managing the team, Sarah Dally (HPE trainee) for finish line recording and students Emerson Forbes, Olivia White and Charlie Attiwill for undertaking an official role on the day.

Kerran Wingard | Special Sports Coordinator

## BOYS YEAR 9/10 STATEWIDE FOOTBALL

The first round of the Year 9-10 Boys School Sport SA Statewide Football competition was held at McDonald Park oval on Tuesday 24 May. Our team played games against St Martins Lutheran College and Grant High School for the right to win through to the next round.

A consistent 4-quarter effort in the first game against St Martins, with an even contribution from all team members, saw us run out comfortable winners 12-14-86 to 0-0-0. However, our second game against Grant High School proved to be a much more challenging game. Grant displayed a more committed approach to the game and were able to get an even contribution from all players throughout the game resulting in a 9-3-57 to 2-4-16 loss for our team.

Whilst it was disappointing not to progress to the next round of this competition, we can be proud of the way our team approached both contests and hope that our players can use the opportunity as a learning experience in their Football development. Our thanks to Julie Von Stanke who was our Sports Trainer on the day, Kerran Wingard for umpiring both games and the members of the Football Program class that took on roles as Goal/Boundary umpires, and team runners.

Stephen Day | Football Program Teacher

## PEDAL PRIX

The Mount Gambier High School Pedal Prix team recently competed at The Bend Motorsport Park in Tailem Bend. Competitors raced on The Bend's West Circuit, one of seven tracks at the facility and one that is partially used by the Supercars Series, Australia's biggest motorsport competition. In total eleven students either participated in the on-track action or helped out as members of the pit crew.

With mechanical issues and track incidents impacting much of the first race at Mount Gambier's McNamara Park, we had a relatively smooth run at The Bend. This allowed the team to be more competitive, finishing 114<sup>th</sup> out of 150 entrants. Despite more success on the track this time round, the true highlight for many of the students will be our time on the jumping pillow at The Bend's Big 4 caravan park!

Behind the scenes, students have been working on sponsorship to secure more funds, with the end goal being the future acquisition of a new trike, as our current one begins to show its age.

Our next race is on the 19 June at Victoria Park in Adelaide.

Josh Fraser | Pedal Prix Teacher

## YEAR 12 CHEMISTRY

Recently our Year 12 Chemistry class students completed their two hour summative practical assessment. In this experiment students used analytical techniques to determine the concentration of commercial hydrogen peroxide. This was done using a redox reaction between a standard potassium permanganate solution and hydrogen peroxide.

Grace Edwards | Chemistry Teacher

## SRC FISH POND CLEAN UP

SRC students in our Environmental Warriors Sub-Committee undertook the project of cleaning our beloved courtyard fishpond, with School Captain, Keenan Dwyer and the Tech Studies Crew repairing the pond's enclosure.

Students were lucky enough to find enough loose change to shout themselves a pizza lunch! They would like to take this opportunity to remind our Mount Gambier High School students the fish don't want any extra objects in their home!

Natalie Piscioneri | SRC Teacher

## YEAR 9 HISTORY

The Year 9 History class have been learning about World War I, focusing on trench warfare and how this type of fighting shaped the experiences and lives of the soldiers during The Great War. Students have had the opportunity to recreate the trench systems from the Western Front in a variety of ways to show their understanding. Some students tapped into their ICT skills and built in trenches in Minecraft while others chose to get creative by making 3D models from boxes and clay.

Kathryn Sutton | Middle School Assistant Principal

## MATERIALS & SERVICES CHARGES REMINDER

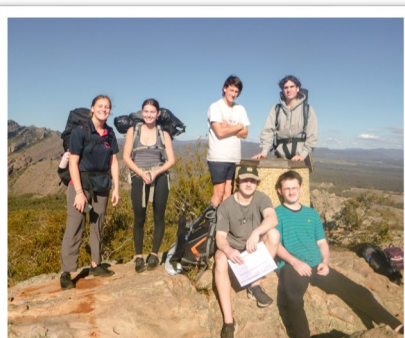

Thank you to those families who have paid their school fees or entered into a payment arrangement. Final Notice letters for outstanding school fees will be posted soon to those families with outstanding accounts. Governing Council wish to advise that if payment is not received before the end of term action will be taken to recover the debt.

If you believe you may be entitled to School Card assistance, please complete an application form. A School Card Form is required to be completed for each family, each year, regardless of the previous year's status. If a form has been completed at a primary school for younger students, a form is also required to be completed at Mount Gambier High School for secondary students. These forms can be collected from the Student Office or completed online using the following link <http://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme> under the Applications tab, selecting the form relevant to your circumstances.

Payment of accounts can now be processed via the school website [www.mghs.sa.edu.au](http://www.mghs.sa.edu.au) using the payment link, in person at the student office or alternatively contact the Student Office to arrange direct debit instalments. If you are experiencing financial difficulties please contact the Finance Manager to arrange a payment schedule.

Belinda Roughana | Finance Manager

## YEAR 12 OUTDOOR ED GRAMPIANS CAMP

Mother Nature was certainly kind to us in week 4 when our Year 12 Outdoor Education Class were finally permitted to venture back over the border to the Grampians. With sunshine and smiles our class bushwalked up Mount Zero and the Mount Stapylton loop in the Northern Grampians. One of the days consisted of a 12.5 kilometre hike with full rucksacks up steep inclines. It was tough terrain but we were rewarded with spectacular views at the top of Mount Stapylton. The students showed resilience, kindness, positive attitudes and enjoyed the scenery, views and chats with classmates.

The class also pushed their comfort zones Rock Climbing and Abseiling at Sundial in the Central Grampians. This was a fantastic experience where they worked together to gain a new skills, test their limits and have fun.

Conor Wingard | Outdoor Education

Mount Gambier High School | Page 7

## ROSTRUM VOICE OF YOUTH

Mount Gambier High School was well represented at the Rostrum Voice of Youth South East Heats, held at Grant High School. A team of four brave individuals, took on the challenge of presenting a prepared speech and a short notice speech to a judging panel. In the Junior Heat, Callum McIntyre-Gregory, year 9 presented his speech "Start a conversation," and Georgia Stasiw, year 7 delivered her speech "Wait and see." Both competitors did a fantastic job and received positive feedback from the judges. In the Senior Heat Mount Gambier High School was represented by Marni Black, year 12 and Amity Sheedy, year 10 who presented respectively on the topics "Error of judgement" and "Changing the narrative".

Both Callum and Amity won their respective heats, meaning they would continue on to the Semi Finals, held at Immanuel College in Adelaide. Marni also continued on in the competition after securing a wildcard entry. This meant that every person that represented the whole of the South East in Adelaide, came from Mount Gambier High School!

Marni and Callum travelled to Adelaide for the Semi Finals and were up against some extremely tough competition with sadly neither progressing through to the next round in Canberra. All participants should be proud of themselves and their achievements.

Kate Jones | English Teacher

## CROWS AFLW PREMIERSHIP PLAYERS VISIT

Early this term Adelaide Crows AFLW premierships players, Anne Hatchard, Sarah Allen and former Mount Gambier High School student, Brooke Tonon spoke with 26 of our female football and netball players about their pathways into and success within the AFLW competition.

During the Q and A session, Sarah and Brooke shared their journeys from playing football in the South East to being drafted with the Adelaide Crows, and the sacrifices and dedication needed to make it at a national level. Anne spoke about the daily requirements placed on the AFLW players, from work and study through to training and games.

We sincerely thank the girls for making the time during their premierships tour down in the South East to speak with our students and provide inspiration that anything is possible when you are dedicated and work hard. It was also exciting to have Brooke back at the school again, having taken part in our Mount Gambier High School Football program during her studies here. Her journey over the past three years since leaving Mount Gambier High School to pursue her football dreams in Adelaide is a real inspiration to our current female football students.

Brooke returned the following day and took the Year 9/10 Football Program through their paces, culminating in a game of 9-A-Side. Her team was victorious by 5 points in a close encounter.

Kerran Wingard | Special Sports Coordinator

# SENIOR SCHOOL END OF SEMESTER ARRANGEMENTS

Please find below the arrangements for the end of the semester.

## Week 9 : Monday 27 June to Friday 1 July

Exam week for all Stage 1 and 2 students.

1. Exams will be held on the SACE Floor as well as Rooms 23 and 32.
2. It is an expectation that students are in full school dress code and arrive at least 10 minutes prior to the exam start time. Room 29 will be open as the exam meeting point and also as a study space for students as required. Mobile phones and Smart Watches are not permitted.

There will be no official Stage 1 or 2 classes scheduled during this time, although teachers may request Stage 1 students to meet with them to finish off final assignments.

## Week 10 : Monday 4 July to Friday 8 July

Normal classes resume for all Stage 1 and 2 subjects with the semester concluding for Stage 1 classes at the end of the week at which time all text books are expected to have been returned to the Collaborative Learning Centre (CLC). Any Stage 2 students who have not completed Research Project will continue to attend their class and ensure they complete any remaining assessment work. Students who have completed will use this time as an additional study line.

Stage 1 semester 2 timetables will be available to all Stage 1 students via Daymap by the end of week 8. Any student requiring subject changes must see Mrs Penne Saffin, Senior School Student Wellbeing Leader and ensure they are finalised by the end of week 10.

An assembly will be held on Friday 8 July in Home Group to begin Course Counselling discussions for 2022.

### Reports

Reports will be available to view using Daymap on Friday 8 July. Please read them carefully and contact the school should you have any concerns.

### Reminders

Attendance is vital to a student's success. Students are expected to be on site from 8.40am until 3.15pm each day, and if required to sign out, a note or phone call from a parent/caregiver is required. Please support us by ensuring that your student attends all lessons including home group. The Daymap Connect Parent Portal is available to view attendance and class information.

If students are absent, please phone the school or message through Daymap prior to 11.00am each day.

If you have any questions please feel free to contact us.

Samantha Brown | Senior School Assistant Principal

## WATER DROPLET PHOTOGRAPHY

The Year 10 photography students have been focusing on different types of photography this term. In weeks 2 and 3 students experimented with water drop photography. This practice helped them to understand more about shutter speed and aperture settings. Students experimented with dropping shells and acrylic paint into water.

Rebecca Johnson | Photography Teacher

## WORLD OF WORK WORKSHOPS

This term VET students will explore the world of work further with workshops and presentations from experts in the field.

We were fortunate to host an afternoon session with Gillian McGinty, Chief Executive of three Aged Care providers in Mount Gambier. Gillian found time in her very busy schedule to explore the enormous opportunities that exist in this sector and the different pathways that students can take once working in Aged Care.

We also had Toni Vorenas from Metro onsite, who took time out from busy café life to discuss the hospitality industry and encourage our current Certificate II in Hospitality students to explore the possibilities of an Immersion program. They have also been invited along to an afternoon workshop at Metro Café. We are looking forward to working with Toni, watch this space!

Eluisa Crispino | Vocational Pathways Coordinator

## GLOBAL PERSPECTIVES

In Year 8 Global Perspectives, we are learning about persuasive text and how it can come in all sorts of ways. We have looked at advertisement and targeted audiences, with students choosing a topic that is relevant to society today with important messages.

Linda Hamilton | Global Perspectives Teacher

## VET SUCCESS

Congratulations to the following students who have recently obtained traineeships through local businesses.

Following a work trial at the Presidential Hotel, year 12 student, Kayleen Vanua has been offered a Certificate III in Hospitality. We would like to thank Steve Perryman, Presidential Motel and Leanne Cameron, MEGT.

Year 11 student, Maya Deverell applied for and won a position at Gramac

Corporate and will be completing a Certificate III In Business. Thank you to Grace McNally from Gramac Corporate and Tarah Marygold at MAS National for helping to facilitate Maya's traineeship.

Year 11 student, Meg White has been offered a Certificate III in Retail at Baker's Delight Mount Gambier Commercial Street. Meg was selected for this opportunity after showing initiative and great work ethic in her current part time job at the local bakery. Thank you to Andrew Toogood, Baker's Delight and Leanne Cameron, MEGT.

Eluisa Crispino | Vocational Pathways Coordinator

## STAGE 1 AND 2 EXAMS TIMETABLE

Date	Subject	Duration	Time	Room	Teacher
Monday 27 June	Psychology - Year 12	2 hours plus 10 minutes	9:00 - 11:10	Room 23/32	Ashcroft
	Psychology - Year 11	1.5 hours plus 10 minutes	9:00 - 10:40	SACE Floor	Grosser
	English Literary Studies - Year 11	1.5 hours plus 10 minutes	1:00 - 2:40	Room 23	Peach
	Mathematical Methods - Year 12	2 hours plus 10 minutes	1:00 - 3:10	Room 32	Rahbari
	Essential Mathematics - Year 11	1 hour plus 10 minutes	1:00 - 2:10	SACE Floor	Kennedy
Tuesday 28 June	Modern History - Year 12	2 hours plus 10 minutes	9:00 - 11:10	Room 23	Piscioneri
	Mathematics B - Year 11	2 hours plus 10 minutes	9:00 - 11:10	Room 32	Rahbari
	Modern History - Year 11	1.5 hours plus 10 minutes	9:00 - 10:40	SACE Floor	Collison
	Chemistry - Year 12	2 hours plus 10 minutes	1:00 - 3:10	Room 32	Edwards
	General Mathematics - Year 11	1.5 hours plus 10 minutes	1:00 - 2:40	SACE Floor	Edwards
Wednesday 2 9 June	Biology - Year 12	2 hours plus 10 minutes	9:00 - 11:10	Room 23	Ashcroft
	OAC Japanese - Year 12	2 hours plus 10 minutes	9:00 - 11:10	Room 32	OAC
	General Mathematics - Year 11	1.5 hours plus 10 minutes	9:00 - 10:40	SACE Floor	Trnovsky and Zhao
	Mathematics A - Year 11	2 hours plus 10 minutes	1:00 - 3:10	Room 23	Trnovsky
	General Mathematics - Year 11	1.5 hours plus 10 minutes	1:00 - 2:40	SACE Floor	Rahbari
Thursday 30 June	Physics - Year 11	2 hours plus 10 minutes	9 - 11:10	Room 32	Kanakaris
	General Mathematics - Year 12	1.5 hours plus 10 minutes	9 - 10:40	SACE Floor	Henman and Trnovsky
	Biology (Human Focus) - Year 11	2 hours plus 10 minutes	1:00 - 3:10	SACE Floor	O'Connor
	Alternate Exam Time		1:00 - 3:10		
Friday July	English Literary Studies - Year 12	1.5 hours plus 10 minutes	9:00 - 10:40	23	Jones
	Chemistry - Year 11	2 hours plus 10 minutes	9:00 - 11:10	SACE Floor	Edwards
	Alternate Exam Time		9:00 - 11:10		

# Health & Allied Health Information Day

Explore Flexible Industry Pathways in Health

12 September, Term 3 2022

Flinders University Mt Gambier Campus

Flinders University Mt Gambier campus will be holding an interactive information day for students interested in a health career.

The session is organised by Flinders University students from a range of health degrees and rural backgrounds, as well as rural staff based in Mt Gambier. The students are members of the University Student Rural Health Club, funded by the Commonwealth to promote health degrees to rural high school students, helping to address the rural health workforce shortage.

Students will rotate through a number of clinical stations (Allied Health, Nursing and Doctor of Medicine), giving them a picture of what's involved in each degree and working in that field. The day will finish with a highly valuable Q&A panel, with questions covering moving from country to city, accommodation, adapting to city life, study habits and surviving financially at university.

**If you are interested in participating, please DayMap Mrs Crispino as soon as possible.**

**Flinders**  
UNIVERSITY
